Sub : Approval to the proposal of **M/s. Shri Lakshmi Metal Udyog Ltd.** to establish a unit for "Cold Rolling, Galvanizing and Pipe making Plant" at Gowribidanur Industrial Area, Chikkaballapura District.

Read :

- 1) Proceedings of the 55th Land Audit Committee (LAC) meeting held on 04.10.2018.
- 2) Proceedings of the 112th State Level Single Window Clearance Committee (SLSWCC) meeting held on 16.10.2018.

PREAMBLE:

M/s. Shri Lakshmi Metal Udyog Ltd. has proposed to establish a unit for "Cold Rolling, Galvanizing and Pipe making Plant" with an investment of Rs. 497.00 crore, generating employment to about 570 persons at Gowribidanur Industrial Area, Chikkaballapura District.

In the 55th Land Audit Committee meeting held on 04.10.2018, the representative of the company appeared before the committee and highlighted the project proposal and requested for allotment of 40 acres of land at Plot Nos. 10,14,15,16,17,19,20,21,22,10-P in Gowribidanur 2nd Phase Industrial Area, Chikkaballapura District.

He informed that they are the largest steel pipes manufacturers and are operating more than 10 Plants across India. They are operating two manufacturing plants with a capacity of 1.2 Million Tons in Karnataka at Attibele and Malur Industrial Area.

CEO & EM, KIADB informed that above plots are not available. Plot Nos.10, 10-P,14,15,16,17,19,20,21 &22 are part of 88 acres of land already approved in SHLCC on 23.02.2018 in favour of M/s. Amphiriya Lithium Battery Manufacturing Pvt. Ltd.

It was also brought to the notice of the Committee in the 54th LAC meeting held on 14.09.2018 that the promoters of M/s. Amphiriya Lithium Battery Manufacturing Pvt. Ltd. are not showing interest to establish the project and there are different project proposals seeking allotment of land to establish various manufacturing facilities in Gowribidanur Industrial Area are pending due to non availability of land.

The Committee in the said meeting suggested that a subject may be placed before SHLCC to drop the allotment of 88 acres of land to M/s. Amphiriya Lithium Battery Manufacturing Pvt. Ltd., to facilitate allotment of the said land to other projects who are keen to implement the projects early.

Commissioner sought details of water requirement by the plant and told the project proponent of constraints in water availability in the industrial area.

The project proponent stated that they may not need large quantities and would make their own arrangements in case of lack of sufficient supply of water.

Accordingly, 4 projects seeking land in Gowribidanur were considered in the 54th LAC meeting and recommended to SLSWCC for allotment of land after dropping the recommendation for allotment of land to M/s. Amphiriya Lithium Battery Manufacturing Pvt. Ltd. by SHLCC.

The Committee noted the above and after detailed discussions, resolved to recommend to SLSWCC for approval of the project of M/s. Shri Lakshmi Metal Udyog Ltd. to establish "Cold Rolling, Galvanizing and Pipe making Plant" and KIADB to allot 32 acres of land at Gowribidanur Industrial Area, Chikkaballapura District, after dropping the allotment of land to M/s. Amphiriya Lithium Battery Manufacturing Pvt. Ltd. by SHLCC, subject to the promoters to make own arrangements for the water required.

The proposal was examined & approved in the 112th SLSWCC Meeting held on 16.10.2018.

Government has examined the recommendations made by the SLSWCC in all aspects.

Hence the following order.

- 2) Government Order No. CI 112 SPI 2016, dated: 20.04.2016.
- 3) Proceedings of the 112th State Level Single Window Clearance Committee (SLSWCC) meeting held on 16.10.2018.

PREAMBLE:

The project proposal of **M/s. Saptha-Giri Holdings and Projects Pvt. Ltd.** to establish "Particle Boards and Medium Density Fibre Boards" manufacturing unit with an investment of Rs.382.00 crore generating employment to about 500 persons in 30 acres of land at Masthenahalli Industrial Area, Chintamani Taluk, Chikkaballapura District was accorded in-principle approval in the 90th SLSWCC meeting held on 01.02.2016. Accordingly, Government Order was issued vide No. CI 112 SPI 2016, dated 20.04.2016 read at (2) above.

In the 32nd Land Audit Committee meeting held on 07.09.2016 the request of the company for change of location of the project from Mastenahalli Industrial Area, Chikkaballapura District to Kambalipura Industrial Area, Hoskote Taluk, Bengaluru Rural District was discussed, and as informed by KIADB the committee that the said land has not yet been handed over to KIADB by the Revenue Department as the applications under Form 53 are yet to be disposed, the Committee deferred the subject since the land is not ready for allotment.

Company vide their request letter dated 25.11.2017 has informed that they would require eucalyptus logs, waste wood chips, saw dust and bagasse as basic raw material and have found that the availability of the raw material is very scattered in the vicinity of the proposed location. However, have found that there is abundant availability of raw materials in the neighbouring taluks of Hoskote and Malur. Further they have informed that project to be financially and technically viable, the scale of production and quantum of investment needs to be scaled up, and found that a minimum production of 1 Million M3/Annum of particle and MDF boards has to be achieved which will involve additional investment. Hence, they had proposed to increase the production capacity and increase investment of the project from Rs.383.00 crore to Rs. 477.56 crore and change of location from Masthenahalli Industrial Area,

Chintamani Taluk, Chikkaballapura District to Kambalipura Industrial Area, Hoskote Taluk, Bengaluru Rural District and extension of time by 3 years to implement the project.

KIADB in its letter dated 29.12.2017 opined that "an extent of 238 Acre 34 Gunta of Government Kharab lands in Kambalipura Village, Hoskote Taluk, Bengaluru Rural District has not been handed over to KIADB by the revenue Department as the applications under Form 53 are yet to be pending/disposed, hence the land is not ready for allotment". Subject was discussed in the 43rd Land Audit Committee meeting held on 03.10.2017, The Committee noted the request of the company and the opinion of CEO & EM, KIADB and after detailed discussions, resolved to defer the subject and same was placed in the 107th SLSWCC meeting held on 15.02.2018 and the Committee noted the project details and findings of the Land Audit Committee, the Committee resolved to confirm the decision taken by the Land Audit committee and notify the same to the company.

Now the company in their letter dated 01.10.2018 has informed that they have come to know that the land is handed over to KIADB and ready for allotment and have requested for consideration for allotment of 70 acres of land at Kambalipura Village, Hoskote Taluk, Bengaluru Rural District.

Company has now sought following assistance from the Government;

- a) Change of location of the project from Masthenahalli Industrial Area, Chintamani Taluk, Chikkaballapur District to Kambalipura Village, Hoskote Taluk, Bengaluru Rural District.
- b) Increase in investment from Rs. 383.00 crore to Rs. 477.56.
- c) Approval and Allotment of 70 acres of KIADB land at Kambalipura Village, Hoskote Taluk, Bengaluru Rural District instead of 30 acres of land allotted in Masthenahalli Industrial Area, Chintamani Taluk, Chikkaballapur District.
- d) Extension of time by 3 years to implement the project.

Findings of 55th Land Audit Committee meeting held on 04.10.2018:

The Director of the company appeared before the committee and requested for approval of the following:

- a) Change of location of the project from Masthenahalli Industrial Area, Chintamani Taluk, Chikkaballapur District to Kambalipura Village, Hoskote Taluk, Bengaluru Rural District.
- b) Increase in investment from Rs. 383.00 crore to Rs. 477.56.
- c) Approval and Allotment of 70 acres of KIADB land at Kambalipura Village, Hoskote Taluk, Bengaluru Rural District instead of 30 acres of land allotted in Masthenahalli Industrial Area, Chintamani Taluk, Chikkaballapur District.
- d) Extension of time by 3 years to implement the project.

Chief Executive Officer & Executive Member, KIADB informed that Kamblipura Industrial Area near Hoskote is not yet formed and land is under acquisition.

The Committee noted the request of the company and after detailed discussions, resolved to recommend to SLSWCC for in-principle approval of the following:

- a) Change of location of the project from Masthenahalli Industrial Area, Chintamani Taluk, Chikkaballapur District to Kambalipura Village, Hoskote Taluk, Bengaluru Rural District and KIADB to allot 50 acres of land at Kambalipura Village, Hoskote Taluk, Bengaluru Rural District instead of 30 acres of land allotted in Masthenahalli Industrial Area, Chintamani Taluk, Chikkaballapur District after completion of acquisition process.
- b) Increase in investment from Rs. 383.00 crore to Rs. 477.56.
- c) Extension of time by 3 years to implement the project.

The proposal was examined & approved in the 112th SLSWCC Meeting held on 16.10.2018.

Government has examined the recommendations made by the SLSWCC in all aspects.

Hence the following order.

GOVERNMENT ORDER No. CI 112 SPI 2016, BENGALURU, DATED 20.11.2018

Government is pleased to accord approval for the following proposal of M/s. Saptha-Giri Holdings and projects Pvt. Ltd. for the earlier proposal accorded approval vide Government Order cited at (2) above.

- a) Change of location of the project from Masthenahalli Industrial Area, Chintamani Taluk, Chikkaballapur District to Kambalipura Village, Hoskote Taluk, Bengaluru Rural District and KIADB to allot 50 acres of land at Kambalipura Village, Hoskote Taluk, Bengaluru Rural District instead of 30 acres of land allotted in Masthenahalli Industrial Area, Chintamani Taluk, Chikkaballapur District after completion of acquisition process.
- b) Increase in investment from Rs. 383.00 crore to Rs. 477.56.
- c) Extension of time by 3 years to implement the project, with a condition that further request for extension of time will not be considered.

All other terms and conditions indicated in the Government Order No. CI 112 SPI 2016, dated: 20.04.2016 read at (2) above, remain unaltered.

- Government Order No. CI 218 SPI 2017, dated: 04.09.2018.
- Proceedings of the 112th State Level Single Window Clearance Committee (SLSWCC) meeting held on 16.10.2018.

Preamble:

State Level Single Window Clearance Committee in its 103rd meeting held on 04.10.2017 has approved the Project proposal of M/s. Sify Technologies Ltd., to establish an "Network and Data Center" with an investment of ` 154.00 crore generating employment to about 400 persons in 3 acres of land at Plot No.41 in Hardware Park area of Hi-Tech, Defence and Aerospace Park, Bengaluru. Accordingly, Government Order vide read at (2) above was issued.

Company has paid ` 2.25 crore on 05.01.2018 to KIADB towards 30% tentative premium of land and KIADB has issued allotment letter on 08.02.2018.

At the request of company, the change of name of Allottee M/s. Sify Technologies Ltd. to M/s Sify Infinit Spaces Ltd. (The Wholly Owned Subsidiary M/s. Sify Technologies Ltd) was placed in the 111th SLSWCC meeting held on 01.08.2018 & approved. Accordingly, Government Order vide read at (4) above was issued.

In the meantime company vide its letter dated 17.08.2018 has again requested for change the name of company from M/s. Sify infinit Spaces Ltd. to M/s. Sify Data & Managed Services Ltd. (The wholly subsidiary of M/s. Sify Technologies Ltd.) due to the following reasons:

It is stated that they have proposed to acquire leasehold land in the name of the M/s. Sify Data & Managed Services Ltd. for implementing the project. Further, the company has already acquired a land for setting up a new Data Center at Chennai in the name of M/s. Sify Data and Managed Services Ltd. For smooth implementation and better administration of the Hosting Business, the Management wished to align all the Data Centers under one Company & hence, it is proposed to acquire the above land also in the name of M/s. Sify Data and Managed Services Ltd. instead of M/s. Sify Infinit Space Ltd. and requested for change the name of allottee from M/s. Sify Technologies Ltd. to M/s. Sify Data & Managed Services Ltd.

Company has uploaded the following documents in support of their request:

- Certified True Copy of the Resolution passed by the Board of Directors of M/s. Sify Data & Managed Services Ltd. dated: 28.08.2018 for acquisition of Leasehold land as well as change of name of allottee.
- Certificate of Incorporation dated: 06.03.2017 and Memorandum and Articles of Association of M/s. Sify Data & Managed Services Ltd.
- Certified True Copy of the Resolution passed by the Board of Directors of M/s. Sify Data & Managed Services Ltd. dated: 25.07.2018, authorizing the Company to issue a no objection letter to KIADB for change of Name of Allottee.

- Proceedings of the 112th State Level Single Window Clearance Committee (SLSWCC) meeting held on 16.10.2018.

Preamble:

State Level Single Window Clearance Committee in its 108th Meeting held on 27.02.2018 has approved the project of M/s. Aequus SEZ Pvt. Ltd for "Development of SEZ and DTA for Polymers and Engineered Products Industrial Zone" with an investment of ` 468.5 crore, generating employment to about 25,000 persons in 255 acres of land to be purchased U/s. 109 of KLR Act in various Sy. Nos. of Talabala and Banapura Villages, Yalaburga Taluk, Koppal District. Accordingly Government Order was issued vide read at (2) above.

Company in its letters has submitted that the following effective steps have been taken to implement the project and requested for change of activity from "Polymers and Engineerings products" to "Light Engineering Goods and Services sector.

1. Status of Land Acquisition: Extent of land identified for establishment of the said project is 255 acres in the Banapura and Talabala village of Kukanoor (Taluk & Hobali) ,Koppal district. Details of land sy. Nos. are as shown below.

Talabala & Banapura Villages, Kukanoor Hobali & Taluk, Koppal District

Sl. No.	Sy. No.						
1	208	9	132	17	143	25	30

7	130	15	141	23	28		
8	131	16	142	24	29		

Total Extent - 255 Acres

2. Consent has been obtained from the present landowners for more than 90% of the targeted land to the extent of about 225 acres and remaining 30 acres has been owned by 3 families and it is expected to obtain the consent in next fortnight.
3. Aequus has invested approximately INR 16.00 Crores towards purchase of land & registration of land documents. Funds for the land acquisition has been mobilised through internal resources and for the project infrastructure, Company is in discussion with financial institutions.
4. Documentation, NOC and Land record updation processes are at the advanced stages for applying to the Revenue authorities for permission to purchase land Under Section 109.
5. Layout Plans for the proposed estate have been prepared and are ready for approval from Town Planning, MOEF & KSPCB clearances.

Reason for change in activity proposed:-

The requested Change in activity is more broad based on company's intensive market surveys & of the Global markets and evolving trends in Indian market.

- Polymers are base material for consumer goods, however perception in the market and Industry is that Polymers were correlated to Petrochemicals and Plastics limiting prospective industries to very specific domains in polymers.
- Change in the sector will enable the company to cater to larger market segments & industries like Toys, Consumer Goods, Mechatronics, Healthcare, etc. which are part of light engineering goods.
- Aequus SEZ Private Limited also proposes to establish a manufacturing facility in industrially most backward district of Koppal, in Hyderabad Karnataka Region, Government of Karnataka.
- Proposed industrial estate in 255 acre:- Domestic Tariff Area (DTA) will be in about 130 acres and it will be housing manufacturing units and ancillary industries to support domestic market requirements and skill development, training centres along with quality testing labs etc.

For Exports it is envisaged to establish the Special Economic Zone (SEZ) in about 125 acres of land, wherein the manufacturing industries will be established exclusively for exports.

Keeping in view of developing an Industrial estate to cater the larger sector of industries in Toys, Consumer Goods, Mechatronics, Healthcare, company proposes to change activity from "Polymers and Engineerings products" to "Light Engineering Goods and Services sector".

It is stated that the lands identified in villages were in Yalaburga Taluk earlier and now falls in the jurisdiction of newly formed Kukanoor Hobli & Taluk and hence, amendment to GO citing name of Taluk as Kukanoor Taluk instead of Yalaburga taluk is required.

Recommendation of the meeting held under the Chairmanship of Principal Secretary to Government, Commerce & Industries Department on 01.10.2018:

The representatives of the company explained the action taken to implement the project.

The above details were noted in the meeting and after detailed discussions it was decided to recommend to SLSWCC for change of activity from "Polymers and Engineerings products" to "Light Engineering Goods and Services sector" in 255 acres at various Sy. Nos. 203, 205, 206, 207, 208, 209, 130, 131, 132, 133, 134, 135, 136, 138, 139, 140, 141, 142, 143, 199, 202, 211, 28, 29, 30, 31, 32 of Talabala & Banapura Villages, Kukanoor Hobli and Taluk, Koppal District.

The proposal was examined & approved in the 112th SLSWCC Meeting held on 16.10.2018.

Government has examined the recommendations made by the SLSWCC in all aspects.

Hence the following order.

GOVERNMENT ORDER No. CI 71 SPI 2018, BENGALURU, DATED 03.11.2018.

Government is pleased to approve change of activity from "Polymers and Engineerings products" to "Light Engineering Goods and Services sector" in 255 acres at various Sy. Nos. 203, 205, 206, 207, 208, 209, 130, 131, 132, 133, 134, 135, 136, 138, 139, 140, 141, 142, 143, 199, 202, 211, 28, 29, 30, 31, 32 of Talabala & Banapura Villages, Kukanoor Hobli and Taluk, Koppal District.

SUB: Approval to the Extra Financial Implications / Cost Variations Under Dam Rehabilitation And Improvement Project (Drip) works being Implemented with loan Assistance from the world Bank (with respect to KRS and Bhadra Dams)- Reg.

READ: 1) Govt Order No WBD 16 DSP 2016, Bangalore, Dtd:29-05-2017

2) Addendum Order No 29 DSP 2017 Bangalore Dtd:02-03-2018

3) Proceedings of the 8th Empowered Committee meeting held on 20-03-2018 under the Chairmanship of the Additional Chief Secretary, GoK.

4) Chief Engineer, WRDO Note Dtd:26-04-2018

PREAMBLE.

The Dam Rehabilitation and Improvement Project (DRIP) has been taken up with the loan assistance of the World Bank for the Rehabilitation and Improvement of dams. After obtaining the approval of the State cabinet in 2011 for a total amount of ` 483.32 Crore for 178 dams (39 dams of major and medium irrigation & 139 dams of minor irrigation) Karnataka joined this DRIP programme.

In addition to the above, due to the additional cost towards the contingencies and additioality for some of the dams which were left out during the finalization of the PSTs, there was change in project cost and reduction in its scope i.e., the project cost enhanced from ` 483.32 Crore for 178 dams to ` 581.18 Crore for the reduced number of 22 dams and administrative approval was accorded for ` 581.18 Crore vide the Government order read at (1) above.

While preparing Project Screening Template(PST)s due to restriction in fund allocation, limited time allowed for preparation of PSTs, lack of experience in taking up rehabilitation works (since it is the first of its kind in handling rehabilitation works in the State), inadequate investigations especially pertaining to under water components like upstream pointing / dam body wall grouting, stilling basin concrete foundation and porous hole reaming etc. variation in the estimated quantities in many of the dams during execution have

occurred. Many of the dams in Karnataka are century old and require comprehensive rehabilitation. In view of this, variations arising during execution requires approval from competent authority.

NECESSITY OF THE PROJECT:

Mainly to improve the structural safety & operational performance of the existing large dams in the State.

For 2 packages of 2 dams (KRS and Bhadra) where the Extra Financial Implication (EFI)s of variation items is either exceeding 25% of the Contract value or costing more than ` 10.00 Crore, which is beyond the delegation of powers of the Empowered committee, EFI amounting to ` 41.25 Crore was placed for cabinet's approval since the items are of essential nature required to be executed for the safety of respective dams.

The details are as under –

(Rs in lakhs)								
SI No	Name of Dam	Name of Package	Name of Contractor	Agreement Amount	EFI amount as submitted by dam authorities	% wrt Contract Price	Corrected EFI amount after Technical Committee Review	% wrt Contract Price
1	BHADRA	PACKAGE-I	M/s Ferro Concrete Construction India Pvt Ltd, MP	1445.84	1138.76	78.76% ABOVE	1124.68	77.79% ABOVE
Total of KNNL					1138.76		1124.68 ≈ 1125.00	
2	KRS	PACKAGE-I	Anupam Bidasaire (M/s Ferro Concrete Construction India Pvt Ltd, MP)	3661.91	3205.54	87.54% ABOVE	2999.31	81.91% ABOVE
Total of CNNL					3205.54		2999.31 ≈ 3000.00	
					TOTAL	4344.30		4125.00

THE REASONS FOR VARIATION IN QUANTITIES OF KRS & BHADRA DAM:

- Increase in quantity of pointing area on Upstream face of dam using UV resistant material, dam body grouting, stilling basin concrete, reaming of porous holes & foundation holes over and above the estimated quantities
- Taking up new items of works which were not included earlier and now required as per DSRP recommendations.
- Some specialized items are not included in the estimate / PST and found to be essential during execution.
- Due to restricted allocation & urgency detailed investigations were not carried out.
- Extra items and quantities were included as per the suggestion / recommendations of SPMU and CPMU consultants during dam inspection.

The Proposal submitted by the Chief Engineer, Water Resources Development Organisation is thoroughly perused and hence the following orders are issued –

GOVERNMENT ORDER NO.WRD 10 DSP 2018, BENGALURU, DATED:06-12-2018.

The total Extra Financial Implication / Variation of 2 packages of 2 dams viz., Krishnaraja Sagar and Bhadra taken under DRIP Programme which is above 25% and exceeding Rs.10.00 Crore in each package, amounting to Rs.30.00 Crore and Rs.11.25 Crore respectively, in the interest of safety of dams is approved.

This Order is issued with the concurrence of the Finance Department vide its Note No: FD 544 FC-1/2018, Dated:28-11-2018.
